Low Cost Touch 4.3" LCD with Bezel and Integrated ARM IoT Computer

Stylish modern plastic bezel is supplied
4.3" LCD with Touch Screen

Connector PCB - options include Picoblade, Screw Terminal or custom to use your connectors and circuitry

TM1 module with 1GHz ARM Cortex A9 processor, memory, Flash, Wifi and Bluetooth

Purpose designed Processor Module and host board enables a truly low profile package

Our standard connector PCB is provided. If you require different connectors or additional circuitry - please contact us for details.

Standard & Extended Temperature Ranges Available

Look what's available

- * 4.3" 480 x 272 LCD Module
- * Projected Capacitance & Resistive Touch Screens
- * 1GHz Freescale iMX6 ARM Cortex A9 CPU
- * 256MB/512MB/1GB Memory
- * eMMC Flash (4GB or 8GB) or uSD Socket
- * USB Host Port - High, Full and Low Speeds
- * USB Device Port - High and Low Speeds
- * 10/100 Mbit LAN - Auto MDIX
- * Wifi - 802.11a/b/g/n, 2.4GHz & 5GHz
- * Wifi Station and Access Point support
- * Bluetooth 4.1, BLE 4.0
- * 12 GPIO signals plus I2C & SPI
- * Two RS232 Ports
- * One RS232/422/485 Port
- * Class D Audio Amplifier
- * Stereo line input & outputs
- * 5 volt DC power input - jack or screw terminal
- * Low power operation
- * Standard or Extended Temperature versions
- * Android 4.4 Operating System
- * Linux 14.04 LTS Operating System
- * Windows EC2013 - please contact us
- * UK Design, Manufacture & Technical Support
- * Custom Designs available - contact us for details

Specification

Processor	Freescle iMX6 Sololite	Serial Interfaces	
Speed	1GHz	SPI	1
Cores	1	I2C	1
Memory	256MB/ 512MB/ 1GB	RS232	2 (Rx/Tx)
Storage	eMMC 4GB/ 8GB or MicroSD 8GB	RS232/422/485	1
LCD	4.3" TFT Resolution 480 x272	Audio	
Contrast	500 typical	Line	Stereo Inputs & Outputs
Brightness	350 cd/m ² typical	Speaker Output	Mono 0.5 watt
Viewing Angle	70, 50, 70, 70 typical	Power Consumption	
Touch Screen	Resistive / Projected Capacitance	Input	5 volts DC @ 0.51 amps maximum (2.5 watts)
Ethernet	10/100 Mbit	Suspend to RAM	5 volts DC @ >0.01amps (50milliwatts)
Wi-Fi (Optional)		Desktop	5 volts DC @ 0.19 amps (~1 watt)
Frequencies	2.4GHz & 5GHz	Operating Temperature	
Standard	802.11 a/b/g/n	Standard	0°C to 50°C
Support	Access Point & Station	Extended	-20°C to 60°C
Bluetooth (Optional)		EMC	CE
Classic 4.1, BLE 4.0		Operating Systems	Android 4.4, Linux Ubuntu 14.04 LTS Windows EC2013 - Please contact us.
		Dimensions	87mm x 128mm x 28mm (HxWxD)

Ordering Information

BE432H-iMX6-1GHz-S[x]-MB[x]-EM[x]-T[x]-W[x]-P[x]-CB[x]

Example: BE432H-iMX6-1GHz-SR-MB3-EM4-TS-W0-P0-CB2

S[x] Touchscreen Type Resistive: R, Capacitive: C

MB[x] Memory Size 256MB: 1, 512MB: 2, 1GB: 3

EM[x] eMMC Size: Not Required: 0, 4GB: 4, 8GB: 8

T[x] Temperature Range: 0°C to 50°C: S, -20°C-+60°C: E

W[x] Wifi & Bluetooth Not Required: 0, WiFi & Bluetooth Required: 1

P[x] Power Jack: 0, Screw Terminal: 1

CB[x] No Connector Board: 0, Pico Blade Connector Board: 1, Screw Terminal Connector board: 2
